"In Brighton, you have a real chance of electing someone to the House of Commons who, rather than wanting to ban the likes of Alice Cooper, would like tickets!"

Dear Pavilion Voter,

At the next election, the choice in Brighton Pavilion will be perhaps a little less traditional than in other constituencies as befits a vibrant and diverse place such as here.

I am a rock fan. A regular at the **Hungry Years** since 1973 and I still mourn its passing. I work for Pete Waterman (he once worked with Judas Priest - not many people know that!) and still go to as many concerts as I can - both at the Centre and in the many local venues around Brighton and Hove. Last one was Hurricane Party at Concorde 2. Purple, Maiden, Rush and Sabbath are still my most played CD's.

But I am not hoping for you to support my bid to be your next MP because of just my musical taste. I very much hope you agree with the policies I stand behind as well - **more police, cleaner hospitals, controlled immigration, lower taxes and school discipline**. Full details on my web site - www.mikeweatherley.org.uk. Please do take a few minutes to have a look.

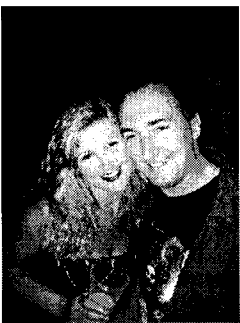

Yours faithfully

A handwritten signature in black ink that reads "Mike Weatherley".

Mike Weatherley

P.S. I felt it was important in these times of low voter turnout to let you know that your choice at the ballot box had an extra dimension and, if elected, there will be at least one voice in Parliament countering the hysteria and cheap headlines grabbed by some 'anti rock and freedom of expression' politicians of the past. Please do vote on Thursday 5th May. Vote Mike Weatherley.

At Hove Town Hall Rock night with my wife, Adriana. At the PWL Studios With Iron Maiden in Hungary...
